

Foothills Research Institute

Alberta Forest Growth Organization: 2010 Forest Offsets Workshop I

January 20, 2010
Northern Forestry Centre (NoFC)
5320 122 Street
Edmonton, AB

The Registration Fee for this event is \$65.00 (GST included).

You can register and pay online through our website, www.foothillsresearchinstitute.ca. Click on the Education and Events tab, then follow the prompts.

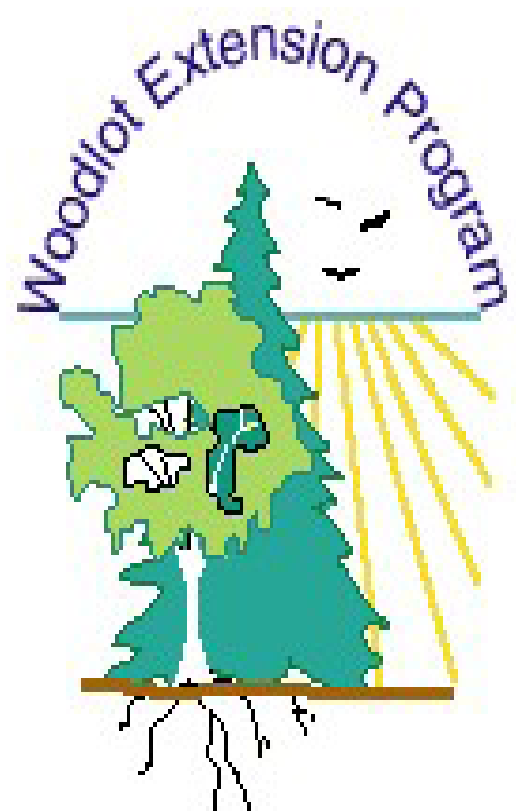

If you are interested in attending or need assistance with registration, please contact Fran Hanington at 780-865-8330 or fran.hanington@gov.ab.ca. For more information about the session contact Barry Waito at (204) 525-3222 or waito@mts.net.

This workshop will cover all aspects of carbon management and will provide a detailed overview of forest offsets.

We are planning a follow-up workshop to be held May 6, 2010. These workshops will help us in identifying the agenda for the September conference.

Further details on the second workshop and conference will be posted on the website in the near future.
