

# Foothills Research Institute

## FRI-day Brown Bag Lunch

### Preparing for the Attack

Effects of simulated Mountain Pine Beetle on hydrology and vegetation of lodgepole pine forest in west-central Alberta

November 20, 2009

Room 134

Hinton Training Centre

1176 Switzer Drive

12:10 p.m. - 12:50 p.m.

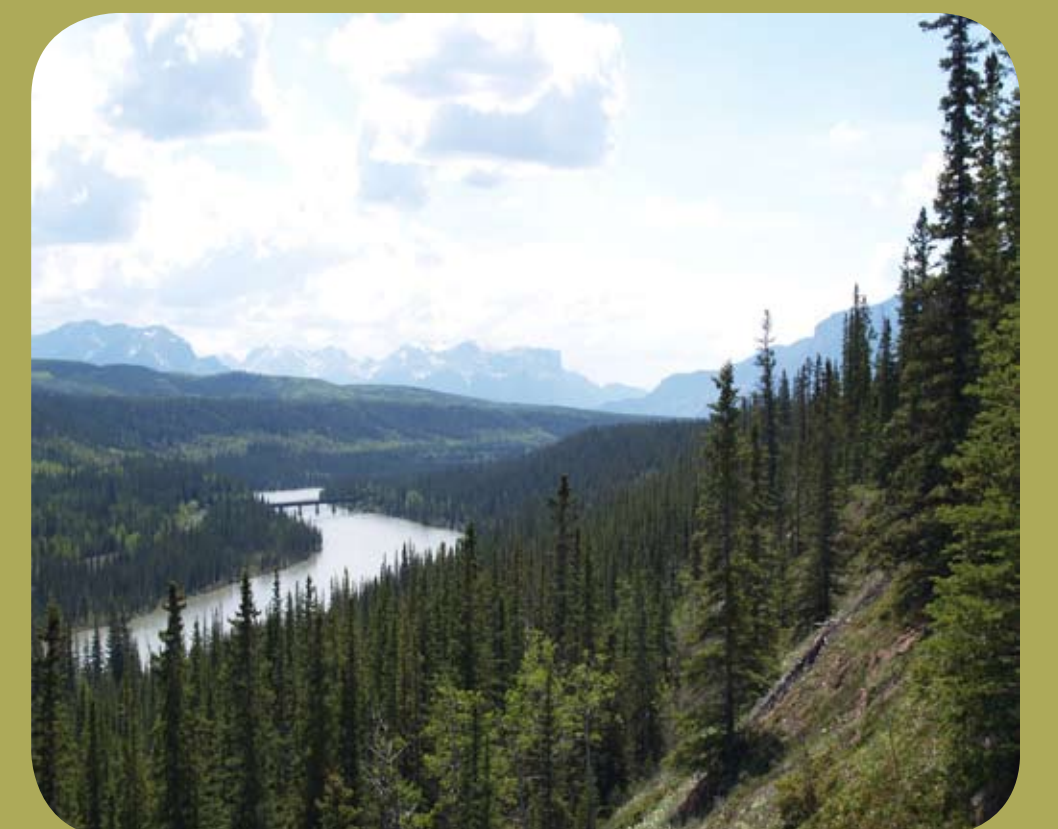

This presentation is free of charge and no pre-registration is required.

Don't forget to bring your lunch!

Foothills Research Institute presents FRI-days. Bring your lunch and join us to discover what we are learning about Mountain Pine Beetle and the effect that they may have on our landscape.

Stay tuned. The next presentation in our FRI-day Brown Bag Lunch series will be in January 2010. Aaron Jones from West Fraser Mills Ltd. will talk about the Aboriginal Involvement Program from a partner perspective.
