

Foothills Research Institute

FRI-day Brown Bag Lunch

Hydrologic modeling and assessment of a protected area boundary

May 21, 2010
Room 134
Hinton Training Centre
1176 Switzer Drive

12:10 p.m. - 12:50 p.m.

This presentation is free of charge and
no pre-registration is required.

Don't forget to bring your lunch!

Synthetic Aperture
Radar Imagery.
Learn how this is
being used for
the hydrologic
modelling and
assessment of a
protected area
boundary.

Our speaker series
is going to take
a break for the
summer months.

We will be back in
September with a
whole new series
of FRI-day Brown
Bag Lunches.
