: Foothills Model Forest

Benefits to participants

- **Standard inspection protocols**
 - within the model forest area
 - across Alberta
- **Reduced cost**
- **FtMF and company partnership**
- **Regulatory compliance**
- **Positive public impact**
- **Voluntary participation**

Inspection priorities

□ **Safety**

□ **Water quality**

□ **Fish passage**

Summary

- ❑ **Still early in the process**
- ❑ **Good example of integration**
- ❑ **Lots of support and cooperation from industry, FtMF, ASRD and DFO**
- ❑ **Need to keep it simple**
- ❑ **Identify the priorities**
- ❑ **Get results**
- ❑ **Model can be applied across the Province.**
